

LIST OF INHOUSE/CURATED JOURNALS

1.	Journal Title:	Ocean Life: An International Journal of Maritime Occupation and Safety
	Discipline/s:	All maritime programs
	Volume/Issue/Year:	Volume 1, Issue 1, 1 st Quarter 2024
		Journal Prologue: Ocean Life (OL) is a quarterly peer-reviewed journal which aims to publish informative and relevant studies in the field of maritime occupation and safety. As one of the maiden issues of VMC Analytiks, OL is carefully curated to feature scholarly and professional studies dealing with the different facets of life at sea as experienced by seafarers. This also includes studies delving on various maritime safety issues which encompass major provisions from the Standards of Training, Certification, and Watchkeeping (STCW).
2.	Journal Title:	Logistica: An International Journal of Customs Administration and Trade Facilitation
	Discipline/s:	Brokerage, Freight Forwarding, Shipping
	Volume/Issue/Year:	Volume 1, Issue 1, 1 st Quarter 2024
		Journal Prologue: With the continuous internationalization of nations across the continent, movement of goods via land, air, and sea will also rise due to the high demand of goods across all continents. Thus, investigative papers dealing with various problems in the transnational movement of goods are very essential to address issues and concerns, hence promoting the smooth facilitation of goods. Logistica is a good platform for professionals, educators, and students who intend to publish their scholarly works and be featured before a wide group of international audience. It is a quarterly peer-reviewed journal and carefully curated to maintain a degree of standard in publication.
3.	Journal Title:	Business Fora: Business and Allied Industries International Journal

	Volume/Issue/Year:	Volume 1, Issue 1, 1 st Quarter 2024
		Journal Prologue: Business For a (BF) is a quarterly peer-reviewed journal which features various business-related studies with focus on the dynamics of employees, systems, and technology as they interact in the workspace continuum. With various models, concepts, and strategies, the world of business is replete with many facets, however, with inherent issues and problems. BF aims to publish and disseminate salient reports on the above problems coming from various types of businesses and encompassing aspects of various organizational and management issues.

4.	Journal Title:	Pedagogy Review: An International Journal of Educational Theories, Approaches and Strategies
	Discipline/s:	Across all education-related programs and topics
	Volume/Issue/Year:	Volume 1, Issue 1, 1 st Quarter 2024
		Journal Prologue: The quest for knowledge is no doubt a continuing endeavor. Thus, ways on how knowledge is delivered have also been an ongoing inquiry for most educators. Pedagogy Review (PR), a quarterly peer-reviewed journal of education, endeavors to publish scholarly works of educators and students with topics delving on gaps and problems raised in the context of teaching and learning with underpinning theories, approaches, and strategies as contextual highlights of the studies. PR's aim to disseminate these types of studies is essential and timely as teaching and learning have taken a big leap due to the continuous evolution of educational theories, approaches, and strategies as well as on the advancement of technology.
5.	Journal Title:	Social Science Lens: A World Journal of Human Dynamics and Social Relations
	Discipline/s:	Culture, Psychology, Sociology, Anthropology, Political Science, Economics
	Volume/Issue/Year:	Volume 1, Issue 1, 1 st Quarter 2024
		Journal Prologue: The day-to-day challenges in life have been the enigma of many people around the world. Much to the perplexities it brings, the way on how these challenges can be resolved is another challenge to consider. How people look at problems became the cornerstone of many scholars in approaching these perplexities. Social Science Lens (SSL) aims to disseminate the views of people through publication of worthwhile studies in the field of psychology, sociology, anthropology, political science, and economics. Encompassing investigations on human dynamics and social relations, studies published in SSL can be sources of interventions to address various facets of the society.
