

**JASON P. ALINSUNURIN**

Assistant Dean

De La Salle University

**1. Academic Leadership**

- Associate Professor and Assistant Dean for External Affairs and Lasallian Mission at the De La Salle University School of Economics.
- Former Graduate Programs Coordinator for PhD in Business and MS Entrepreneurship at DLSU.
- Provides leadership in curriculum design, program management, and faculty mentoring in economics and business education.

**2. Specialized Expertise**

- PhD in Management from the University of Bologna, with specialization in economics and business management.
- Holds a Master of Arts in Economics (Ateneo de Manila University) and a Bachelor of Science in Economics (University of the Philippines).
- Expertise in public finance, management science, and applied economics.

**3. International Representation**

- Engaged in international academic networks through visiting scholar appointments (KU Leuven, Belgium) and participation in global conferences (IRSPM, IIAS, ADBI, UNESCO).
- Recognized as Italy's Goodwill Ambassador for the European Higher Education Fair in the Philippines (2022).

**4. Research Productivity**

- Built a strong record of applied economics and management research, combining quantitative, behavioral, and policy approaches to address issues in public service delivery, education governance, and workforce dynamics.
- His publications include work in Smart Learning Environments and forthcoming contributions in the DLSU Business and Economics Review, with manuscripts examining parental involvement, learning mindsets, and employment challenges during the pandemic.
- He has also conducted comparative studies using international datasets such as PISA, offering cross-country insights into education and governance.

**5. Editorial & Peer Review Experience**

- Serves as reviewer for Scopus- and Web of Science-indexed journals including Public Management Review, Research Policy, Journal of Management Development, and Applied Economics.

- Recognized with Outstanding Reviewer Awards from the Academy of Management and the Journal of Public Administration Research and Theory.

## **6. Engagement in Policy & Practice**

- Consulted for the World Bank and Asian Development Bank on projects related to education expenditure tracking, labor economics, and public health sector development.
- Applies expertise in survey design, econometric analysis, and policy evaluation to strengthen governance and business practices.
